

NIHR Manchester BRC and NIHR Manchester CRF: Acknowledgement summary for researchers

Remember: You MUST reference NIHR BRC and CRF funding and support. This is a contractual requirement and failure to do so may result in financial penalties.

This guide includes the correct wording for NIHR Manchester BRC and CRF acknowledgements in papers and funding applications. To use, find the relevant scenario below, copy the text in the orange box (amend as needed) and paste into your document.

Publication acknowledgements

Use the BRC funded statement if:

- Your research is fully or majority funded by the BRC

This study/research is funded by the National Institute for Health and Care Research (NIHR) Manchester Biomedical Research Centre (BRC) (NIHR203308). The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.

Please also acknowledge any other NIHR support the research may have received.

Use the BRC co-funded statement if:

- Your research is co-funded with another organisation(s)

This research is co-funded by the National Institute for Health and Care Research (NIHR) Manchester Biomedical Research Centre (BRC) (NIHR203308) and <list other funders>. The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.

Instances where the research was funded by another funder but delivered through the BRC:

[Research funder statement] This study has been delivered through the National Institute for Health and Care Research (NIHR) Manchester Biomedical Research Centre (BRC) (NIHR203308). The views expressed are those of the author(s) and not necessarily those of the [name of the research funder], the NIHR or the Department of Health and Social Care.

Please also acknowledge any other NIHR support the research may have received, for example, through a research programme award.

Minimum statement to be used in instances where there are funder details and/or word count restrictions AND the research was funded by another funder but delivered through the BRC:

The research was carried out at the National Institute for Health and Care Research (NIHR) Manchester Biomedical Research Centre (BRC) (NIHR203308).

Instances where the researcher, but not the research or project, was funded or supported by the BRC:

[Researcher name] is funded/supported [delete as appropriate] by the National Institute for Health and Care Research (NIHR) Manchester Biomedical Research Centre (BRC) (NIHR203308).

Use the BRC funded research supported by the CRF statement if:

This research is funded by the NIHR Manchester Biomedical Research Centre (BRC) (NIHR203308) and carried out at/supported by the NIHR Manchester Clinical Research Facility (CRF). The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.

Use the CRF supported by statement if:

- Your research was supported by any or some of the six NIHR Manchester Clinical Research Facility sites

This research is funded by [name of funder(s)] and carried out at/supported by the National Institute for Health and Care Research (NIHR) Manchester Clinical Research Facility (CRF) (NIHR203956). The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.

Address

You must reference the following:

- Your affiliated university
- Your affiliated NHS Trust
- Manchester Academic Health Science Centre (MAHSC)*

* MAHSC must appear somewhere within the address either with affiliated Trust and/or University if there is not space for it to be a separate address

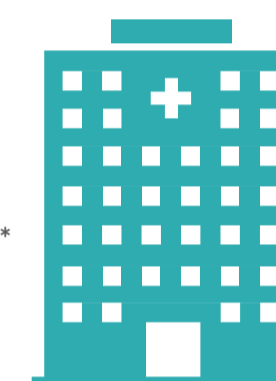

Joseph Z. Bloggs^{1,2} The order of 1 and 2 are interchangeable according to where your primary contract resides.

- Divison and School, Faculty of Biology, Medicine and Health, The University of Manchester
- [Hospital name (if applicable)], [NHS Trust name], Manchester Academic Health Science Centre, Manchester [postcode]

Only reference BRC and/or CRF in acknowledgements.

If you need to use the BRC address for another purpose, please use:

NIHR Manchester Biomedical Research Centre, Manchester University NHS Foundation Trust, Manchester Academic Health Science Centre, UK

Official names

Manchester BRC full name:

National Institute for Health and Care Research (NIHR) Manchester Biomedical Research Centre (BRC) (Unique identifier: NIHR203308)
When there are several mentions in one article, you can shorten to Manchester BRC or BRC after spelling out in full on the first mention.

Manchester CRF full name:

National Institute for Health and Care Research (NIHR) Manchester Clinical Research Facility (CRF) (Unique identifier: NIHR203956)
When there are several mentions in one article, you can shorten to Manchester CRF or CRF after spelling out in full on the first mention.

Please note the NIHR does not fund animal research studies. However, there may be instances where researchers may publish the findings of clinical aspects of a trial (funded by the BRC/ supported by the CRF) alongside findings from animal studies. If this is the case, you must still include reference to BRC/CRF support in your acknowledgements.

Contact your BRC Project Manager or CRF contact if you have any questions. Please inform your BRC Project Manager when submitting publications.

Funding applications

Please adapt the following statement to reference the BRC award in a funding application.

[Name] was listed as a [contributing/lead] researcher in the successful NIHR Manchester Biomedical Research Centre (BRC) application, demonstrating the excellence of our research as judged by an international panel.

Please adapt the following information to reference the BRC award in a grant list.

December 2022 - March 2028 - NIHR Manchester Biomedical Research Centre (NIHR203308) £64.1m. (Title, BRC Role and Theme)
